MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Settlement of [REDACTED] Case

25X1A9a

25X1A9a

1. On 16 November 1955 you approved our proposal for settlement of the account of Mr. [REDACTED] by negotiations with him at whatever figure in excess of \$2,000 (which is the amount advanced to him by [REDACTED] and repaid to [REDACTED] by the Agency) which he will accept and pay. The total indebtedness comes to \$3715.00. Our memorandum of 26 October, approved by you on 16 November, setting forth the history of the account is attached as Tab A for your information.

2. At my request, Mr. [REDACTED] has been in touch with Mr. [REDACTED] concerning the \$2000.00. He has not told [REDACTED] that we have repaid [REDACTED] the \$2000.00 and he believes that [REDACTED] is unaware of that fact. [REDACTED] has indicated that he does not want [REDACTED] to lose the money and he has agreed with Mr. [REDACTED] to come in and see us about it.

3. As mentioned in the memorandum of 26 October it is proposed to attempt to get [REDACTED] signature to a note or a series of notes. It seems possible, however, that [REDACTED] might be worried that in offering him a compromise figure I might not be acting within my authority. To guard against this possibility, it is recommended that you sign the attached memorandum (Tab B) to me, to have available to show [REDACTED] in the event the negotiations develop to a point that it would be helpful to be able to show [REDACTED] that I have the necessary authority.

4. Although the memorandum imposes no limit on my authority to settle, it is of course understood that the settlement will be within the limits approved by you on 16 November, namely, not less than \$2000.00.

[REDACTED]  
Assistant General Counsel
